UNOPPOSED MOTION

Since the Court entered preliminary approval orders in the above-captioned cases, Class Counsel have worked diligently to keep all settlements on-track. Those efforts have included issuing subpoenas to six technology platforms—Apple, Google, Amazon, Facebook, Microsoft, and Samsung—that possess information necessary to create Class Lists, engaging in dozens of telephonic meet and confers with counsel for the technology platforms, and reaching agreements with the platforms on the vast majority of information necessary to effectuate notice and administer these settlements.

Unfortunately, despite these diligent efforts, neither Class Counsel nor the Settlement Administrators yet possess all information necessary to properly send notice on October 5—the present Notice Date. A synopsis of the status of Class List creation efforts follows:

- **Apple:** for *Kater*, *Thimmegowda*, and *Wilson v. Playtika*, Apple has agreed to produce all necessary information, and class counsel anticipate production within three weeks. Apple has also agreed to produce information in *Wilson v. Huuuge*, but that time table is uncertain.
- **Google:** for *Kater*, *Thimmegowda*, and *Wilson v. Playtika*, Google has agreed to produce all necessary information, and class counsel anticipate production within three weeks. Discussions are ongoing as to *Wilson v. Huuuge*.
- **Facebook:** for *Kater*, *Thimmegowda*, and *Wilson v. Playtika*, Facebook has agreed to produce all necessary information, and class counsel anticipate production within three weeks. Discussions are ongoing as to *Wilson v. Huuuge*.
- **Microsoft:** Microsoft has agreed to produce all necessary information, and Class Counsel anticipate production within three weeks.
- **Samsung:** Samsung, which has an extremely limited role, is making good faith efforts to search for and produce any relevant information it possesses, but has not yet located any such information.
- **Amazon:** Amazon has not agreed to produce any information. Class Counsel and Amazon have fully briefed a motion to compel in the *Kater* case. Amazon has agreed that the Court's ruling as to Plaintiffs' motion to compel in the *Kater* case will control Amazon's production in the *Thimmegowda* and *Wilson v. Playtika* case. Discussions are ongoing as to *Wilson v. Huuuge*.
